MARCH 11 MEETING:

Presbyterian Church, Okemos

Please note: This is the second Saturday instead of the third.

Doors open at 6:30 p.m. for:

- Plant shopping
- Experienced Society members will be available to answer questions and help problem solve orchid growing issues
- Please have refreshments in place prior to start of meeting.

Meeting will start promptly at 7:00 pm

Doris Asher, Judge Emeritus in the American Orchid Society, will moderate a freewheeling discussion "What Is Your Problem?", where everyone can bring

up whatever is bothering him or her orchid-wise. Doris has been a GLOS member longer than anyone else, having joined in the fall of 1977, the year the Society began. She got her start in orchids when her late husband Jim gave her a Paphiopedilum King Arthur for her birthday in 1972. The Ashers built an 18' x 21' greenhouse in 1976, and Doris maintained a mixed collection of about 1000 orchids for 37 years until 2013, when she began growing indoors at windows.

She became an American Orchid Society judge in 1993, and in 2013 the AOS honored her with its highest status afforded a judge, that of Judge Emeritus. She judges at about 12-15 shows each year and has judged at five World Orchid Conferences.

Currently the Vice President/Show Chair of GLOS, Doris has held every office in the Society, some of them more than once!

Awards Doris has received::

1. Phragmipedium wallisii 'Hagadorn' HCC/AOS June 1990
2. Slc Circle of Life 'Accolade' AM/AOS Feb 2004, and Masatoshi Miyamoto Award for 2004 selected for AOS's 2007 calendar

PRESIDENT'S MESSAGE -- Rob Halgren

I'm writing this a day after our annual show. I was going to say February show, but as you know it was much more like March or April for most of the weekend. I'm putting in an order for nice weather again next year. To me it felt like everything ran amazingly smoothly, thank you to everyone who helped make the show a success.

My life gets complicated in the spring with several 'real jobs', but it is just the time of year when I should be paying more attention to the plants. Now that the days are getting longer and the weather warmer, consider repotting. I like to have most of my Paphs and Phrags repotted by the middle of spring. I also repot everything that is dormant before it breaks dormancy (think Catasetums and Cycnoches). Give strong consideration to repotting the plants you just purchased at the show. Commercial suppliers of orchids would prefer not to spend money on repotting, and by the time you get a plant it is usually well past due.

I can't make the next couple meetings, but I would like to welcome our new members. If you are reading one of my messages for the first time, welcome! If you are reading one of my messages for what feels like the millionth time (kind of feels like I've written that many), please take a moment to introduce yourself to the new faces you see. We were all new members at one point.

**SYMPATHY TO GEORGIAN**

The Society extends heartfelt sympathy to long time member Georgian Franczk, who lost her brother recently.

**CONDOLENCES TO KITTY FILLWOCK**

Our sincere condolences go out to Kitty Fillwock on the death of her husband Duane, who passed away on January 29, 2017

**SYMPATHY TO IOANA**

The Society extends heartfelt sympathy to our Treasurer Ioana Sonea, who lost her father on Sunday, January 8, 2017, in Montreal.

Renie Gatny 6/19/1930 – 1/8/2017

GLOS lost a long-time member on January 8th – Renie Gatny joined the Society in November 2001 and became a life member in 2008. Year after year she underwrote a trophy for our annual Show, including our Show just concluded.

Rest in peace, Renie.

→ Thanks to Christina Gregg, Marilyn Porter, Dottie Winter, and Ioana Sonea for bringing refreshments to our January meeting. Ioana Sonea, Carol Ann Stuht and Jerrie Nichols have volunteered for the March meeting.

GLOS CALENDAR OF EVENTS

If possible, please have the names of the plants in by Wednesday so they can be registered and have labels made. Please have the plants in by Friday noon, if possible. If you are unable to have them at the show at this time, you can bring them to Rob's house earlier. Besides orchids, greenery is needed for the display. (Don't forget that there is an orchid foliage award given.)

6. Children's Corner: Diane shared the Scavenger Hunt and prize available for children. There will be other activities for children on Saturday and Sunday.

46 out of the 70 plants we had in our display got some kind of recognition. Almost everyone who entered a plant got at least one ribbon.

- 3 Trophies:
 - AOS Show Trophy
 - Trophy for Best Society Exhibit
 - Trophy for Best Vanda Alliance
- 19 Blue Ribbons
- 14 Red Ribbons
- 13 Yellow Ribbons
- 1 Special Ribbon

In addition, our exhibit received an AOS Silver Certificate. This Certificate goes to an exhibit that scores between 85 and 89 on a scale of 0 to 100.

If, when scored for the AOS Show Trophy, an exhibit scores between 90 and 100, it earns an AOS Gold Certificate. The Silver Certificate is an official AOS award just like an AM. "General arrangement" can earn up to 35 points; "quality of flowers" up to 35 points; "variety" 20 points; labeling 10 points.

Larry Watson and Kherwin Cheng Chua designed the display, with Pete Ostlund and Dot Potter Barnett assisting. This was Larry & Kherwin's first independent display, and they deserve special kudos!

Thanks to everyone who participated.
GLOS ROCKS!

FROM YOUR SHOW CHAIR - Doris Asher

I want to thank all of you who contributed to our recent Orchid Show! What a big job! And what a nice event we put on for the public! Whether you clerked or brought in food or judged or chaired a portion of the Show or helped with Thursday night setup or Sunday night takedown or helped exhibitors unload or gave money toward the expenses or taught a class or helped staff our Information Table or provided orchids for our exhibit – however you helped, every piece was important, and I thank you for what you did on behalf of the Show!

A project as massive as this does not happen without a lot of helping hands. Thank you for lending the Society your helping hands!

2017 GLOS ART SECTION REPORT - submitted by Carol Ann Stuht

Wow!! What a terrific hallway we set up this year. Sixty-seven pieces of art and photography (a record number) from 41 exhibitors were entered and on display

The trophy for Photography, Class 104A and Class 104B went to Brittany Payeur for the wonderful color photo of *Bulbophyllum fritallariiflorum*.

The trophy for Art, Class 103 and Class 105 went to Pat Pritchard. She entered a large color pencil painting of a group of beautifully detailed red, and pink and white orchids.

If you did not see these trophy winners and all the other fine entries, you really missed a treat.

Thank you to everyone that gave me a helping hand, especially Bobbi Kilty who helped set up and take down the display and Lynn O'Shaughnessy for the loan of her sturdy back drop stands. Thank you GLOS for purchasing the grid display stand we used for the first time this year.

Carol Ann Stuht, Art Section Chairperson

GLOS ORCHIDS-IN-USE 2017 SHOW REPORT - submitted by Marilyn Lee

After an initial "stormy" set-up where rain poured down from the glass ceiling in the Hall to the MSU Head House, four eight foot tables were prepared for Friday afternoon floral design entries. Seventeen enthusiastic designers, two new to our show, entered 40 separate designs. Two local professional florists participated. The large number of entries was because two non-GLOS orchid growers contributed a large number of cymbidium flowers. The available flowers also encouraged the two new non-orchid growers to exhibit. Much needed help with entry registration was provided by a garden club member. The lovely displays of art and floral design in the Hall were much appreciated by the viewing public.

THANK YOU, CLERKS - submitted by Doris Asher, Show Chair

The Society issues a hearty "thank you" to members and other friends who volunteered to clerk at the Show. Clerks assist the judging teams in finding the plants entered in the class, preparing the ribbons for the winning entries, placing the ribbons on the winners, and recording the winners in the Society's official record. They began on Saturday morning, February 25th, at 7:30 a.m. with a light breakfast and worked until ribbon judging was concluded, about 11:00 a.m.

Judging Chair Lynn O'Shaughnessy assigned the 19 judges into seven teams. She tapped Jack Shumaker and Mike Underwood to enable us to have the seven teams. We were very pleased to have judges from the Mid-America (St Louis) and the Cincinnati Judging Centers working with us this year. All judges and clerks were invited to be the Society's guests at the Judges' Luncheon held at the Show.

The following individuals clerked at our 33rd consecutive orchid show:

Leslie Behm, Dea Bishop, Michele Bridges, Michael Bukala, Bill Cadman, Kherwin Cheng Chua, Jim Churn, Jerri Goebel, Norm Goebel, Mary Henman (Photography), Dawn Kittle, Deb Longworth (Orchids in Use), Ann McConnelee, Pete Ostlund, Tammy Scherer, Jack Shumaker (lay judge), Ioana Sonea, Carol Ann Stuht (Art), Fred Swartz, Becky Thayer, Emily Tseng, Mike Underwood (lay judge), Larry Watson Jr, Gus Wehrly, Joan Witter

So far, 35 households (38 individuals) have already paid their dues for the coming year; we need to hear from 50 households (63 individuals) who have not yet renewed. Please consider receiving your newsletter electronically at no cost to the Society. Or, perhaps you could make a special donation to help offset the expense of photocopying and mailing – each issue costs GLOS \$1.09 to provide in hard copy for a total cost per year of \$6.54. Help the Society keep its dues low!

(Members who have already paid for the coming year have their names highlighted in yellow on the mailing label on this issue. Such members do not need to pay at this time. If you get your Calypso electronically, Dot Potter Barnett will let you know if you have already paid or if you still need to do so when she sends the newsletter to you.)

The next shows are:

The Ann Arbor Show is March 17-19th.

The MOS in Madison Heights March 25-26th

Rob and Alex Challis shared the wonderful orchids on the Show and Tell Table.

The program tonight was about orchid pests and diseases as seen on orchid leaves. Rob began the program with a presentation using examples of orchid leaves with problems and their diagnosis. Next, orchid leaves brought in by members were examined. Issues ranged from fungus, virus, sunburn, too much water, too little water, and pests. This was an interesting, interactive meeting where members received answers to their leaf and plant issues.

After the program, many members went home with treasures they won from the raffle table and silent auction table. The meeting was adjourned before 9:00. Members stayed after the meeting to return chairs and tables to their original places.

CALL FOR PLANTS

We need orchids for the upcoming Ann Arbor Orchid Show on March 18th- 19th. Doris Asher will be gathering plants at her house (277 North Hagadorn, East Lansing MI 48823) on Wednesday, March 15th, between 3 and 8 pm. If possible, please email me (nicholsjerrie@gmail.com) the names of your plants by Wednesday night so we can get the labels printed. Plants will be returned to Doris Sunday night. We are not sure how long it will take us to tear down the display and make it back to East Lansing, so please call Doris (517-332-0004) first to find out when you can pick up your plants. I hope you can take the time to go down to the Ann Arbor Show at Matthaei Gardens (1800 North Dixboro Rd Ann Arbor). It is a smaller show than ours, but very nice. And the conservatory and trails at Matthaei, plus the gift shop (!) are always worth a visit.

And yes, the horrible rumors are true. The Michigan Orchid Show is only one week after the Ann Arbor Show. And no, you did not read the calendar wrong. The MOS Show is NOT being held on Palm Sunday weekend this year but on March 25th -26th. GLOS is setting up a 25 sq. ft. display at MOS. I hope you will have plants to send. Rob Halgren has volunteered to gather plants at his house (2100 Grovenburg, Lansing MI, 48911) on Wednesday, March 22nd after 3pm. Please call Rob (517-256-5693) before you come just in case he is running errands at the time. If possible, please email me (nicholsjerrie@gmail.com) the names of your plants by Wednesday night so we can get the labels printed. Plants will be returned to his house on Sunday, but again, we are not sure of the time, so please call beforehand. The MOS Show is always worth a visit and is being held at the United Food Commercial Workers Union Bld, 876 Horace Brown St. Madison Heights MI 48071.

Thanks!

Jerrie Nichols
