

# The Greater Lansing (Michigan) Orchid Society

The Greater Lansing Orchid Society (GLOS) was formed in 1977 to create an awareness of orchid culture; to foster the preservation of native species of orchids; to support research and development of orchid culture; and to hold meetings, lectures, and exhibitions.

The Society meets at 7:00 p.m. on the 3rd Saturday in January, March, May, September, November, and the 2nd or 3rd Saturday in July (a picnic), other months as publicized.

Typical meetings include:

- a guest speaker
- orchids for sale
- orchid raffle
- silent auction
- members' orchids display
- refreshments

Except for the picnic, meetings are held in Okemos at the Presbyterian Church near the intersection of Bennett and Okemos Roads.

We have over 100 members with varying levels of orchid-growing experience and growing conditions: windowsills, under lights, greenhouses.

If you have questions about growing orchids or want to share your experiences, join us!

GLOS activities include:

- our annual Orchid Show and Sale
- our newsletter, The Calypso
- study groups
- conservation work
- field trips

Join us! All are welcome!
